

HUACHUCA MOUNTAIN ARCHERS & BOWHUNTERS CLUB

The Huachuca Mountain Archers and Bowhunters Club is a local Sierra Vista organization. It is a non-profit club located on Fort Huachuca, but has no affiliation with the U.S. Military other than having our shooting range located on the fort.

The main purpose of our club is to foster and promote the responsible enjoyment of archery and bowhunting among all residents of Sierra Vista and Fort Huachuca. Archery safety and good sportsmanship is stressed, taught, and observed at all times. The club also provides ample opportunity for members interested in 3-D archery or bowhunting to practice and hone their skills.

The secondary purpose of the club is to raise money for redistribution to other non-profit organizations that help the local community. Some of the charities we support are: Forgach House, Boys & Girls Club, Project Graduation, Children's Crises Center, and the Giving Tree.

The Huachuca Mountain Archers and Bowhunters Club has been operating for over 20 years at its present location. The club facilities are available to its members 7 days a week. It is one of the largest archery clubs in Arizona with approximately 350 members.

HUACHUCA MOUNTAIN ARCHERS & BOWHUNTERS CLUB

ONE YEAR SPONSORSHIP

- Buy a 3-D target from one of the two company brochures – Rienhart or McKenzie. When target is used at a shoot it will be accompanied by a sign identifying your company as sponsoring that target.
- Buy a range target from Arrolast, which will be in place permanently and have a sign identifying your company/business as sponsoring that target.
- All sponsors' names will be placed on club newsletters in the sponsors' section.
- Sponsors who buy a target in the price range of \$500 and up will have their company's logo (cannot be bigger than 6" high by 10" long) placed on the club's banner and will be allowed to place a company flyer in our quarterly newsletter.
- Sponsors who buy a target in the price range of \$300-\$499 will have their name (not their logo) placed on the club's banner in 2" lettering.
- Sponsors who buy a target in the price range of \$100-\$299 will have their name placed on the club's banner in 1" lettering.
- Cash donations for sponsorship will follow the monetary amount stated above, with the club officers selecting the target for your company.
- The club maintains accounts with the target manufacturers and will purchase all targets for our sponsors. This will simplify the process and allow greater buying power by combining orders.

- Sponsors may combine multiple targets to reach amounts above. This would allow your company more visibility at the shoots.
- All targets may not be used at every monthly club shoot, but will be used a minimum of 50 percent of the monthly shoots. All targets will be used at the Buck Lewis Shoot held in March and the Fall Harvest Shoot held in October. These are the club's two biggest shoots of the year and are held over two days.
- Sponsorship will be for one year; at that point the target/s will be refurbished and become club property. The sponsor will be asked to renew their sponsorship and follow the sponsorship guidelines previously mentioned.
- We are looking for 28 sponsors for 3-D targets. These targets are used for both our monthly shoots and the 2-Day shoots.
- We are also looking for 23 sponsors for our range targets. These targets are used on the known distance and walk through ranges. They are permanently in place and most club members shoot these targets on a regular basis. These targets would give your company/business the most visibility.
